

**§290.47(e) Appendix E. Boil Water Notification.**

**BOIL WATER NOTIFICATION**  
**[INSERT NAME OF SYSTEM]**

Due to conditions which have occurred recently in the water system, the Texas Natural Resource Conservation Commission has required the system to notify all customers to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to consumption. The water should be brought to a vigorous rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source. When it is no longer necessary to boil the water, water system officials will notify you.

If you have questions regarding this matter you may contact (a)\_\_\_\_\_at (b)\_\_\_\_\_.

(a) Utility Official(s) (b) Phone Number(s)

**INSTRUCTIONS:**

List more than one utility official and phone number. Do not list the commission as the primary contact. If a customer wishes to call the commission, please have them call 512/239-4691.
